W. B. (BUZ) EVANS has announced his candidacy for the office of county sheriff and assessor and today filed his declaration with County Clerk Glass. Evans is one of the most popular young men in Nevada and it is refreshing to know that such men in the community aspire to the office. Everybody knows Evans and he has made a list of names which he engaged in the tax business.

His record as chief of police from 1911 to 1916 is declared to be his credit. The best state of efficiency to which he elevated the police department, it is claimed, has been annually commended. Evans has been urged by his friends to seek the office, and he believes the people of the county can make no mistake in giving him the republican nomination and electing him in November.

FIVE HAVE FILED. Five candidates for office filed their declarations with County Clerk Glass today. They are: William Carlisle, republican, for constable; T. J. Cannon, republican, for constable; Ben Lane, democrat, for state senator; W. B. Evans, republican, for sheriff and assessor; and Dr. C. J. Richards, republican, for long term commissioner.

TRAIN WAS DELAYED. Train No. 24 from Reno was delayed today and did not arrive here until after noon. The delay was caused by an engine breakdown near Coaldale. Another engine was sent from Goldfield to bring the train on.

AMUSEMENTS

GRIFFITH'S "BROKEN BLOSSOMS" AT THE BUTLER TODAY.

Of extraordinary interest, not only to lovers of the motion picture, but likewise to all who appreciate the highest in art in its various manifestations, is the announcement of the Butler theatre that it has secured David Wark Griffith's superb sensation, "Broken Blossoms" to be shown tonight.

Never has a motion picture been accorded a reception comparable to the triumph that has followed every showing of this production. Newspaper editors devoted columns after column to its beauties and wonders. Everywhere its success has been pronounced and it is safe to say that by bringing "Broken Blossoms" to the Butler theatre has to be 1920's best accomplishment in artistic entertainment that we have yet enjoyed.

The story of "Broken Blossoms" is Mr. Griffith adapted from a tale by Thomas Burke called "The Child and the Child" which is part of the author's famous volume "Lighthouse Nights." Among this story, and we speak from the opinion of thousands of critics the country over. Mr. Griffith has built the most glorious and beautiful yet never before seen over filmed.
